

# Air Locker

## WARRANTY

Air Locker warrants its tools and accessories for a period of 90 days from the date of original purchase. Air Locker will repair or replace at our option, any part or parts of the product covered under this warranty which, after examination, proves to be defective in workmanship or material during the warranty period.

This express limited warranty is extended by Air Locker brand to the original end user/purchaser and may not be transferred to subsequent owners. Air Locker products are not warranted for purposes of leasing, commercial, industrial or production third party entities unless made in a separate written agreement between Air Locker and original end user/purchaser.

Air Locker cannot be responsible in any way for ancillary equipment not furnished by Air Locker, which is attached to or used in connection with the Product, or for operation of the Product with any ancillary equipment, and all such equipment is excluded from this warranty. Because each system that may use the Product is unique, Air Locker disclaims liability for range, coverage or operation of the system as a whole under this warranty.

Air Locker reserves the right to determine whether the product failed because of defective material, workmanship or other causes. Failures caused by accident, alteration, misuse, or ordinary wear and tear are not covered by this warranty.

This warranty becomes void when:

- Prior repairs made or attempted on the product by an unauthorized service representatives other than Air Locker service center
- Unauthorized alterations or modifications have been made to the tool
- Repairs are a result of normal wear and tear
- Tool has been neglected, misused, improperly maintained, or abused

This warranty is the only warranty on Air Locker products. All other warranties whether oral, written, expressed, or implied, including, but not limited to, the implied warranty or merchantability or particular purpose are excluded. No warranty other than the above warranty is authorized for Air Locker products.

Air Locker does not warrant the installation, maintenance or service of the Product. Buyer's or user's remedies are solely and exclusively as stated above. Airlocker products shall in no event be liable for incidental, consequential, indirect, or special damages incurred by the user or purchaser. In no event, whether as a result of a breach of contract, warranty, tort (including Negligence) or otherwise, shall Airlocker's liability exceed the price of the tool which has given rise to the claim or liability. Any liability connected with the use of this tool shall terminate upon the expiration of the warranty period specified above. Driver Blades and Orings are not covered under this warranty.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For repair or replacement, return the complete tool or accessory, along with proof of purchase (receipt), freight prepaid to an authorized Air Locker service center along with a short note explaining the problem.
